Based on applicant's amendment, filed 9/14/2007, see page 4 through 6 of the remarks, with respect to cancellation of claims 2-3, 14 and 16-20, and amended claims 1, 4-6 and 10, have been fully considered and are persuasive, upon further consideration the rejection, of 102(e) for claims 1, 4-13 and 15, are hereby withdrawn.

The claims 1, 4-13 and 15 now renumbered as 1-12 are allowed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance.

This invention relates generally, to computer graphics, and more particularly to filtering texture map data.

Based on applicant's amendment, with respect to claim 1 representing claim 10, the closest prior art of record (Kilgariff), reference is directed to the field of image processing, and more particularly to an apparatus for combining texel images to generate graphics images, but do not teach or suggest, among other things, "receiving a ratio value for a texture map, applying a bias to the ratio value to produce the biased ratio value by scaling the ratio value by the bias summed with one to produce the biased ratio value and clamping the biased ratio value to a number less than or equal to one; and determining a number of texture samples to filter based on the biased ratio value".

These key features in combination with the other features of the claimed invention are neither taught nor suggested by (Kilgariff) prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
